WOODBINE CIVIC LEAGUE MEETING
SUNDAY, OCTOBER 6, 2019

VI. New Business:

Erik Bledsoe, new President, discussed with the group about security for the neighborhood. The recent incident of someone knocking on homeowners' doors after midnight brought about discussion of the Nextdoor App,. Erik felt like we needed a closed group and suggested starting a facebook page for just our community.

Neil Williams mentioned that our Neighborhood Watch sign at the entrance to the community is obscured by trees and suggested we have them trimmed back.

Harper Constantanides suggested putting up a camera at the entrance to the community and Neil offered to direct a security camera from his home towards the entrance to record any unwanted visitors.

Joseph Solinap asked about the foxes in the neighborhood. The consensus was that not many foxes had been seen lately.

Marion Constantanides suggested we do a kid friendly event such as a neighborhood party or parade, maybe around Memorial Day or July 4th.

Chris Keyes encouraged everyone to keep their ditches cleared so the neighborhood would not flood when a large storm rolls in.

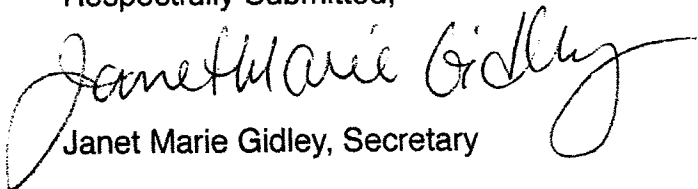

Karen Colombo, who works @ Public Works, mentioned talking with the city Dept of Transportation about sidewalks, curbs, and gutters. The pros/cons of sidewalks, curbs, and gutters, vs. storm ditches was discussed. Street Sweeping was brought up as a perk for curbs and gutters, but Russel Teeter said he has never seen a street sweeper in the new construction area that has curbs and gutters. Karen said she would get some information to share at the next meeting.

One neighbor shared about Mary Rice being in and out of the hospital and that she would soon be celebrating her 99th birthday. Thoughts and wishes should go out to her.
